

Over **1,000,000,000** people
still use **unsafe** drinking water. 

In Mozambique, approximately 55 children
die daily due to contaminated water.

Inequality matters.

This initiative was made possible by the generous support of more than 16,000 AIGA members in 54 chapters and more than 150 student groups nationwide;
the Human Development Report Office for the United Nations Development Programme; and designers everywhere who believe in the power of design for the public good.

A public service
initiative of AIGA.
