

INEQUALITY MATTERS.

Children facing higher risk of death can not reach their full potential.

More than six million

children die every year

because of the failure

to overcome inequality

based on wealth.

Inequality matters.

This initiative was made possible by the generous support of more than 16,000 AIGA members in 54 chapters and more than 150 student groups nationwide; the Human Development Report Office for the United Nations Development Programme; and designers everywhere who believe in the power of design for the public good.
