

ARE YOU WAKE UP

I STAND FOR WHAT I BELIEVE IN. I VOICE MY OPINION. I VOTE.

Too often, our emerging generation neglects to speak up. Many of us assume that action will be taken for us. We cannot continue to be apathetic. We need to be there when the decisions are being made, at the front of the line, so we can bring our generation to the forefront of the discussion.

I TAKE ACTION.

Good design makes choices clear.

AIGA's get-out-the-vote initiative was made possible by the generous support of more than 22,000 AIGA members in 59 chapters and 225 student groups nationwide along with designers everywhere who believe in the power of design for the public good. This poster was designed by Yad Hamawandi, San Diego, California.

A public service initiative of
