Special voting rules

Rules for voters who registered by mail

Voters who have registered to vote by mail—and never confirmed their identity to a registrar, election commissioner or polling official before—must show identification before receiving a ballot.

You may use any of these documents for identification:

- A valid Driver’s License or other ID with your photo and name on it
- Another document that shows your name and address, including a pay check, government check, current utility bill, or any federal, state, or local government document.

You do not have to show this identification if you are:

- A military or overseas voter
- Over the age of 65
- A voter with a disability and are voting in a different location from the one where you are registered.

Voting by provisional ballot

If your name is not on the voter registration list OR if you cannot show ID:

1. Fill out a voter registration application.
2. Fill out and sign the provisional ballot envelope.
3. Select a PIN number.
4. Place your voted ballots in the envelope.

After the polls close

Your registration will be confirmed before the envelope is opened and your ballot is counted.

Beginning 8 days after the election, you may check to see if your ballot was counted. Call 1-888-727-0007 or check votercheck.necvr.ne.gov.
