Chapter petition

Date: _____ To: AIGA national office

The following group of individuals, who are current AIGA members at the Sustaining level or higher-including Design Leaders and Trustees-mutually agree to undertake the responsibilities described in the AIGA chapter guidelines and are therefore submitting this petition.

It is understood that the AIGA executive director, who will approve or deny the petition, or request additional information, will review the petition.

Provisional AIGA chapter description

Name of the chapter*:

Geographic boundaries:

**If the chapter covers a region that is well known locally by an informal name (that may not be recognized more widely), you may use it in your chapter name, as long as the state name is included as a qualifier (e.g. AIGA InformalName StateName). For the sake of clarity, do not use abbreviations. This allows the chapter to be more easily located by current and potential members.*

The following nearby chapters have been contacted to develop communications regionally: _____

This petition is submitted in the knowledge that, upon approval, the signers of their petition will be designated as the organizing committee for the provisional chapter.
