

THEY ARE NEVER TOO YOUNG TO LEARN...

**Educate our youth about the importance of
gun safety because the more they know now,
the safer the future will be.**

Design can help change the things that matter.

AIGA's End Gun Violence initiative is made possible with the generous support of more than 22,000 members in 67 chapters and 200 student groups nationwide—along with designers everywhere who believe in the power of design to advance the public good. This poster was designed by [Nestor G Kurtz, Cherry Hill, New Jersey, www.be.net/ngk722].
